

*Still  
got the same Voice.  
It won't be easy being  
HIV positive.*

*But with my new  
Groove and a Song  
that's*

# **Originally Me...**

*This Brotha is gonna make it.*

- *I stand up and tell my status to the people I care about.*
- *If something's going down then a condom's going on.*
- *Being up front saves me from stressin' about what people think of me and HIV.*
- *All the stuff that matters to me is clear now.  
I know what I need to do and I'm doin' it.*

Positive Action is an HIV prevention program. We help those with HIV/AIDS make healthier choices by making information available through:

- **Ongoing Groups**
- **Workshops**
- **Social Events**
- **Outreach, and more**

*Positive Action is a Primary Prevention with Positives (P3) Program. We are a collaboration of The Center, APICAP, and CSSE. Carolyn Hunt, Program Coordinator, can be reached at The Center.*

**For more information, contact . . .**
